STATISTIQUES SUR LES DIPLOMES

Le présent cahier renferme les statistiques des diplômés présentées par programme, par collège et par année pour les années 1981-1982 et 1982-1983. Le total est compilé à la fin de chacune des années.

L'année indiquée recouvre les sessions d'hiver, d'été et d'automne. Elle peut être interprétée comme la fin d'une année académique. Par exemple, l'année 1982 correspond à l'année académique 1981-1982. Cette façon d'inscrire les données est basée sur le fait qu'un élève termine normalement son programme à la session d'hiver et que les sessions d'été et d'automne qui suivent servent à reprendre des cours manqués.

Pour tout renseignement supplémentaire, veuillez communiquer avec monsieur Jacques Morissette du Service des affaires étudiantes au numéro de téléphone (418) 643-5468.
